STORAGE LOCATION: []
15 INITIAL INCIDENT DESCRIPTION / NARRATIVE:		
[We responded to the listed location for a report of an assault between two patients. We arrived and contacted the involved parties and Navos staff.		
The incident location is a secure in-patient mental health hospital. The assault took place in a common area of the third floor of the hospital.		
I spoke with V/ [REDACTED]. V/ [REDACTED] entered the hospital approx four days ago. He stated, on this date, that he was standing in the common area of the third floor when he observed susp [REDACTED] looking at him. The V/ stated that the susp had a "glint" in his eye then started towards him. Once the susp reached the V/ the susp started punching the V/ around the head and face. Hospital staff got between the two and the susp stopped punching the V/. The V/ stated that he believes the susp punched him at least nine times. The susp had no visible injuries other than a small bump on the back of his head. The V/ was treated at

the scene by the medical staff. I provided the V/ with the case #.

W/ [REDACTED] stated that she observed the assault. She stated that she saw the susp strike the V/ four times. W/ [REDACTED] stated that the susp has been assaultive towards patients and staff in the past.

Susp [REDACTED] stated that he believed he was going to be "jumped" by a gang and that is why he assaulted the V/. Susp [REDACTED] stated that he could not guarantee that he would not assault other patients once he was allowed to return to the floor.

Staff stated that they were concerned for the safety of the other patients and staff if susp [REDACTED] was returned to the floor. Susp [REDACTED] was taken into custody, without incident, for assault. Hospital staff was provided with the case #.

Incident and arrest screened by Sgt T. Floyd (3F). Susp [REDACTED] was booked into KCJ for the assault.]

I hereby declare (certify) under penalty of perjury under the laws of the State of Washington that this report is true and correct to the best of my knowledge and belief (RCW 9A.72.085)
